

28 -30 January 2019

Riyadh International Convention
& Exhibition Center (RICEC)

JOIN US IN RIYADH IN 2019

We are delighted to announce that HVACR Expo Saudi will be moving to Riyadh for its 2019 edition. After three successful years in Jeddah, and lengthy discussions with the industry regarding the need for a focused HVACR event in Riyadh, we have responded and will launch HVACR Expo Saudi at [Riyadh International Convention & Exhibition Center \(RICEC\)](#) from 28 -30 January 2019.

Saudi Arabia's capital and main financial hub, Riyadh will provide HVACR Expo Saudi the perfect platform to take the event to the next level, and we invite you to join us too to elevate your business to a higher level.

WHY RIYADH?

- Commercial capital of Saudi Arabia
- 4.2 million - most populated city in Saudi Arabia with approximately 4.2 million people
- Riyadh has over 30 active projects worth USD 1 billion or more
- \$44.3 million USD - worth of projects in the early stages of construction
- Over 25% of all construction activities in Saudi Arabia are taking place in Riyadh

FEATURED PROJECTS IN RIYADH

Dahiyat Al Fursan

The project involves the construction of 100,000 houses and infrastructure works. The project will also include construction of apartments, townhouses, education buildings, commercial buildings, research & development centers.
